Dears Editors

Title: The beneficial effect of butyrate, Lactobacillus casei and L-Carnitine combination in preference to each in experimental colitis

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript Number: 7078

Invitation ID: 00040588

This is to confirm and guarantee that thorough English language editing has been made both by the Corresponding author who is an English Language educated academic and by a native from UK whom her name has been acknowledged.

Either as an author of more than 500 English language papers or as the Editor-in-Chief of two English language medical journals from BMC (UK) and Elsevier (Netherlands), I would like guarantee that there is no linguistic problem in the paper and it can be passed to publisher.

Thank you for your trust

Professor and Dean, Department of Toxicology and Pharmacology, TUMS I Fellow of IAS I SAB, OPCW, The Netherlands I EiC, J Med Hypotheses Ideas, Elsevier I EiC, DARU, BMC I Council Trustee Member, COPE, The UK I Mohammad.Abdollahi@UToronto.Ca I Mohammad@TUMS.Ac.Ir

A handwritten signature in blue ink, appearing to read 'Mohammad.Abdollahi'.
