Doctor
Jin-Lei Wang,
Director, Editorial Office
World Journal of Gastrointestinal Endoscopy

Respected Doctor

Regarding the comments of reviewers of the manuscript 7107 **Laparoscopic management of gastric gastrointestinal stromal tumors**, I would like to make some comments.

The abstract and the summary were added.
The references were corrected adding PMID codes
The figure was attached in its original format.

I want to thanks the reviewers for his comments in order to improve the quality of this manuscript.
Respectfully

Alvaro Sanabria
