Re: English Proficiency of the Manuscript: "Aorto-oesophageal fistula after corrosive ingestion: A systematic review and case report"

Dear Sir/Madam

All five authors of the above-named manuscript are native English speakers, thus no specific English language editing services were used. We believe the language used in the manuscript is of a standard expected by the World Journal of Gastroenterology.

Yours sincerely,

Dr Matthias Scriba^{1*}

Ms Urda Kotze¹

Dr Nadraj Naidoo²

Prof Eduard Jonas¹

Dr Galya Chinnery¹
