

ANSWERS TO REVIEWERS

November, 2013

Dear Editor,

Please find enclosed the edited manuscript (7125-review.doc).

Title: Translational medical mycology guides the clinic and laboratory practice on fungal diseases

Author: Jebina Lama, Yuping Ran, Xin Ran

Name of Journal: *World Journal of Translational Medicine*

ESPS Manuscript NO: 7125

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated

2. Revision has been made according to the suggestions of the reviewer

Reviewer 1:

1) Second paragraph after figure 3, 3rd line: mixed with steroids?

Reply: I have mentioned the combination of topical antifungal agents with steroid (triamcinolone acetate with econazole or miconazole nitrate).

2) 2-3rd line after ref 17: the very next day?

Reply: Changed into: one day after the administration of antifungal drug

3) Bibliography and reference should be improved

Reply: Changed according to the revision policies for Mini-reviews.

Reviewer 2:

1) The article requires removal of typographical and grammatical errors

Reply: The manuscript has been reviewed thoroughly and typographical and grammatical errors have been corrected.

2) Define all abbreviations and acronyms.

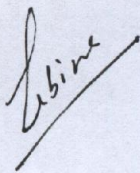

Reply: All abbreviation and acronyms are mentioned at the end of the manuscript after the references.

3. References and typesetting were corrected

4. All the figures have been changed according to the requirement (85 mm in height and 126 mm in width, and at a resolution of 300 dpi).

Thank you again for publishing our manuscript in the *World Journal of Translational Medicine*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Jebina', with a long, sweeping horizontal line extending to the right.
