Re; Grant approval No 0308/2021.

Dear Prasoppokakorn, et al

I am pleased to inform you that, the committee of Fatty Liver Research Fund, Faculty of Medicine Foundation, Chulalongkorn University have final decision to give a grant to your study proposal of "Validation Model of FIB-8 Score to Predict Significant Fibrosis Among Patients with Nonalcoholic Fatty Liver Disease in the Asian Population". The grant amount of \$ 3000 is allowed to use for publication fees, standard English editing and data analysis.

In all public acknowledgements, we prefer that you indicated as follows; This grant is supported by The Fatty Liver Research Fund, Faculty of Medicine Foundation, Chulalongkorn University; No 0308/2021.

We look forward to receiving your progress report by 1 year from approval date for research outcome evaluation. In the mean time you have our best wishes for continued success.

Sincerely yours.

Sombat Treeprasertsuk, MD., Ph.D.

Professor in internal medicine, Chief of Gastroenterology division and

Chair of The Fatty Liver Research Fund, Faculty of Medicine Foundation,

Chulalongkorn University, Bangkok, Thailand 10330
