SPECIFIC COMMENTS TO AUTHORS

The article is interesting. I recommend it for publication in the journal after major revision. Abstract: Recently, the patient appeared a partial small-bowel obstruction, petechia, coughing and peripheral neuropathy, diagnosis was difficult to clarify in other hospitals. Please modify to be Recently, the patient appeared a partial small-bowel obstruction, petechia, coughing and peripheral neuropathy. However, diagnosis was difficult to clarify in other hospitals. When you use abbreviations, mention details of abbreviations at their first appearance in the abstract and other text beginning from introduction as well. Introduction Add more updated details about the disease and the effects of use of immunosuppressors. In text Some typing errors must be corrected such as difficulty correct to "difficulty" impaired movement correct to "impaired movement" ..parasites.After... correct to "..parasites. After..."
