

## **Non-Native Speakers of English Editing Certificate for** *World Journal of Clinical Cases*

I, Dr. Nong Xu, the corresponding author of the paper number 73332 titled “Long-term survival of Gastric Mixed Neuroendocrine-non-neuroendocrine neoplasms (MiNENs): two case reports”, declare that the authors of the present manuscript are non-native English speaker but our manuscript has been reviewed for clarity by a colleague whose native language is English.

Nong Xu, Chief Physician (for all authors)
