Reviewer #2:

Scientific Quality: Grade C (Good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Minor revision

Specific Comments to Authors: This is an interesting study of the effects of combined sevoflurane-dexmedetomidine and nerve block on post-surgical serum oxidative stress biomarker levels in thyroid cancer patients. The study is very well designed. The methods are described in detail. Some minor language polishing should be corrected. And the references should be edited.
