

To whom it may concern,

Regarding the manuscript submission “ Hospital admissions from alcohol-related acute pancreatitis during the COVID-19 pandemic: a single-centre study.” for the attention of World Journal of Clinical Cases.

The following were required during the submission process:

- Signed informed consent form (s) or Document (s)

There was no signed informed consent forms or documents of note to upload.

I hope this will be sufficient evidence for the following. Please do not hesitate to contact me for further details if required.

Yours sincerely,

Dr Wai Kin Mak
