

To whom it may concern

Manuscript title: SARS-CoV-2 (COVID-19) pandemic impact on medical students throughout the United States.

I am the principal biostatistician and associate professor of radiology research at Department of Radiology/Neurology, Keck School of Medicine, University of Southern California. I certify that the statistical method and result interpretation is appropriate in the manuscript listed above.

Yours sincerely,

Steven Cen, PhD  
Associate Professor of Research  
Department of Radiology/Neurology  
Keck School of Medicine
