### **Guarantees**

All are native speakers who must comply with strict editing guidelines.

1. The professional editorial intervention is restricted to:
  - Language
  - Consistency
  - Academic style
2. When editors provide advice on structure or clarity, they do so by providing examples only and not by undertaking a structural re-write themselves.
3. The mark-up is done using Track Changes. No clean document is provided, so that the student always needs to process all changes manually.
4. If an editor suspects plagiarism, the document will not be proofread.
