

Certificate of Biostatistics

01/03/22

Title: First prospective European study for the feasibility and safety of magnetically controlled capsule endoscopy in gastric mucosal abnormalities

This certificate is to confirm that I have read the ethics application prepared for this study and that in my opinion the statistical methods mentioned are appropriate for the research.

Sincerely,

László Madácsy, MD, PhD, DSc, Professor of Medicine

Department of Gastroenterology, Endo-Kapszula Health Centre and Endoscopy Unit,
