

## Format for ANSWERING REVIEWERS

February 25, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name:7543-review.doc).

**Title:** Human Amniotic Membrane Transplantation: Different modalities of its use in Ophthalmology

**Author:** Chintan Malhotra, Arun Kumar Jain

**Name of Journal:** *World Journal of Transplantation*

**ESPS Manuscript NO:** 7543

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- a) A schematic diagram representing the layers of the amniotic membrane has been incorporated ( Figure 1)
- b) Line diagrams have been added along with clinical photographs to show use of amniotic membrane as an inlay ( figure 2b) and onlay ( figure 3b) graft.
- c) Introduction has been expanded and some modifications have been made to the section where mechanisms of action of the amniotic membrane are described. The modifications made to the text have been highlighted in yellow.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Transplantation*

Sincerely yours,

**Arun Kumar JAIN** MD, DNB,
