To The Editors,

I can confirm that I have reviewed and edited the manuscript “Short arm cast is as effective as long arm cast in maintaining distal radius fractures reduction: results of the SLA-VER noninferiority trial” prior to its submission to The World Journal of Orthopaedics. I am a native English speaker with experience working as a medical writer in the UK.

Sincerely,

Ms Anna Powel, PhD

Medical writer

A handwritten signature in black ink, appearing to read 'Anna Powell', with a large, stylized loop at the beginning.
