

03/04/2022

To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO. LTD provided the English proofreading services for the following thesis : Endoscopic drainage with innovative Auto-release biliary supporter to avoid delayed perforation and bleeding after endoscopic snare papillectomy.

Author: Shengzhen Liu* · Ningli Chai* · Huikai Li · Xiuxue Feng · Yaqi Zhai · Nanjun Wang · Fei Gao · Ying Gao · Shasha Wang · Enqiang Linghu

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 03/04/2022. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
