

Dear Dr. Ampat,

Aetrex, Inc. ("Aetrex") is the copyright owner of and holds all rights and title in and to the following:

Image of Aetrex L700 Speed Orthotics (the "Image"). See attached Image.

Aetrex hereby grants and gives permission to Dr. George Ampat and Talita Cumi Ltd. to reprint the Image in the below Work in all media types:

Name of Work: Does orthotics use improve comfort, speed and injury rate during running? Preliminary analysis of a randomized control trial

An acknowledgement notation stating , "Reprinted with permission of Aetrex, Inc. © 2022." should appear. The permission granted herein is non-exclusive, and in no way restricts publication or use of the Image in any manner by Aetrex or by others authorized by Aetrex.

This letter also confirms that Dr. George Ampat's (Talita Cumi Ltd.) research in the following Randomized Control Trial was funded by Aetrex:

Randomized Control Trial: Does orthotics use improve comfort, speed and injury rate during running? Preliminary analysis of a randomised control trial.

Thank you,

A handwritten signature in black ink, appearing to read "Whitney Alan", written over a solid black horizontal line.

Whitney Alan

VP of Marketing
