Dear Sir,

Kindly note that we do not belong to the top non-native English speaking countries. Our revised manuscript review (Manuscript NO: 76266, Review) entitled "*Deciphering the role of TGF- β 1 as a diagnostic-prognostic-therapeutic candidate against Hepatocellular Carcinoma*" by the authors Aswathy R Devan, Keechilat Pavithran, Bhagyalakshmi Nair, Maneesha Murali, Lekshmi R Nath has gone through a Premium Grammarly Software Editing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Lekshmi', is written over a diagonal line.
