To Reviewers and editors of *World Journal of Clinical Cases*:

I, DAVID JOHN PHILLIPS, hereby certify that I have read and revised the **second** version of Manuscript #76292 entitled "*Serratia fonticola and its role as a single pathogen causing emphysematous pyelonephritis in a non-diabetic Patient*" and that to the best of my knowledge as a native speaker, with over thirty years experience as language teacher, translator and copy-editor, it contains no errors of grammar, vocabulary, spelling or syntax.
