

March 1, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 7713-review.doc).

**Title:** Advances and New Perspectives in the Treatment of Metastatic Colon Cancer

**Author:** Gonzalo Recondo Jr.; Enrique Díaz-Cantón; Máximo de la Vega; Martin Greco; Gonzalo Recondo Sr. and Matias E. Valsecchi.

**Name of Journal:** *World Journal of Gastrointestinal Oncology*

**ESPS Manuscript NO:** 7713

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewers

(1) **Reviewed by 00189327:** This is a very updated review on the treatment of metastatic colon cancer. Only minor changes are suggested such as the elimination of the sentence between parenthesis in the abstract and the need of making clear some acronyms employed along the text.

**Response:** We appreciate the positive feedback and the suggestions made by the reviewer. As requested, we have eliminated the sentences in parenthesis and clarified the acronyms used throughout the manuscript.

(2) **Reviewed by 02437936:** There are valuable information in this review article. The authors summarized the new information about the chemotherapy for the metastatic colon cancer. It's very helpful for the readers to understand the current situation.

**Response:** Thank you very much.

(3) **Reviewed by 02444931:** N/A (no comments)

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Oncology*

Sincerely yours,

A handwritten signature in black ink, appearing to read 'M. Valsecchi', with a long horizontal line extending to the right.
