

To Whom It May Concern

It is to state that I, Dr. Amna Mustafa (Native American), have reviewed and revised the English language for the following article at the request of the corresponding author Dr. Fateen Ata.

I can confirm that the language of the article is of publishable quality. Thanks, and please let me know if I can provide any further help or information.

Title of the article reviewed for the English language: **Migraine in Physicians: A Cross-sectional Insight into Prevalence, Self-awareness, and Knowledge in a Tertiary Care Center of Pakistan**

Regards,

Amna Mustafa, MD
