

## CERTIFICATE OF ENGLISH EDITING

This is to certify that the manuscript entitled  
**Rare leptin in non-alcoholic fatty liver cirrhosis: a case report**  
once-year follow-up after diagnosis  
commissioned to us has been carefully edited by two native English-speaking editors of MogoEdit, and the grammar, spelling, and punctuation have been verified and corrected where needed. Based on these review processes, we believe that the language in this paper meets academic journal requirements. Please contact us with any questions.
