Reference: Language certificate

Dear Editor,

This is to certify that the manuscript entitled “**A multispecies probiotic protects gut barrier function in experimental models**” by Nebot-Vivinus M *et al.* has been corrected for the English by myself, Dr MC Brahimi-Horn a native English-speaking Australian scientist and advisor in biomedical communication. For further details refer to the following website :
<http://cbrahimihorn.free.fr>.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M Brahimi-Horn' with a stylized flourish at the end.

Dr MC Brahimi-Horn
