

24 August 2022

Dear editors,

Title of study: Survival benefit of younger gastric cancer patients in China than the US: a comparative study of survival, prediction model, and biological analysis.

This letter is to confirm that I have read the ethics application prepared for this study. The statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink, reading "Shangying Hu". The signature is written in a cursive, slightly slanted style.

Shangying Hu, PhD., Department of Cancer Epidemiology, Cancer Hospital, Chinese Academy of Medical Sciences & Peking Union Medical College, 17 South Panjiayuan, Beijing, 100021, China.
