Re: Manuscript titled *De Novo Non-Alcoholic Fatty Liver Disease after Pancreatectomy: A Systematic Review*

Dear Dr. Jerzy Tadeusz Chudek,

Thank you for the opportunity to revise and submit our systematic review article titled *De Novo Non-Alcoholic Fatty Liver Disease after Pancreatectomy: A Systematic Review* for publication in the *World Journal of Clinical Cases*. We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We have no conflicts of interest to disclose.

Based on the feedback received, we made the following changes to the manuscript:

- The Reference Citation Analysis was used to ensure that the latest articles were included in the manuscript
- Duplicate references were deleted
- Figures have been explained better in the text and are arranged as they appear in the manuscript
- Figure 1 (previously Figure 2) has been updated to better reflect the relationships between the boxes
- Additional references were added to Table 1
-

Thank you again for your consideration and we look forward to your feedback.
