

Certificate of Biostatistics

Aug 28 2022

To whom it may concern

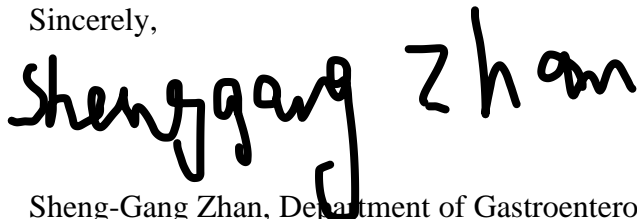

Title of study: Oral higher doses of prednisolone for prevention of esophageal stricture after endoscopic submucosal dissection for early esophageal cancer and precancerous lesions

Biostatistics investigator: Sheng-Gang Zhan, Department of Gastroenterology, Second Clinical Medical College of Jinan University, Shenzhen People's Hospital, Shenzhen 518020, Guangdong Province, China

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink that reads "Shenggang Zhan". The signature is written in a cursive, slightly slanted style.

Sheng-Gang Zhan, Department of Gastroenterology, Second Clinical Medical College of Jinan University, Shenzhen People's Hospital, Shenzhen 518020, Guangdong Province, China
