To whom it may concern

Editorial office

World Journal of Clinical Cases

According to the request of the authors, I am writing this letter with sincerity to confirm the grammar, spelling and style of the manuscript named "Intraocular fluid metagenomic detection and diagnosis tuberculous uveitis: A case and literature review" were all qualified. I have been working as an editor in this field for more ten years. If you need any more information, please do not hesitate to contact me.

Best Regards,

Grace
