

## Copyright transfer agreement

The authors state that

- 1 the manuscript is not simultaneously being considered by other journals.
- 2 the manuscript has no redundant publication, plagiarism, data fabrication or falsification.
- 3 there is no conflict of interest in the paper.
- 4 the experiments were done in compliance with the laws regarding the use of animals and human subjects.
- 5 the material contained in this manuscript is original, except when appropriately referenced to other sources, and that written permission has been granted by any existing copyright holders.
- 6 they agree to transfer to BPG all rights of the manuscript, including: (1) all copyright ownership in both print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format. Articles published by this publisher are distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits use, distribution, and reproduction in any medium, provided the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
- 7 there are no grammar, syntax, spelling, punctuation or logic errors.
- 8 figures and tables have been correctly placed and clearly indicated.
- 9 references are numbered in the order they appear in the text.
