The World Journal of Gastroenterology

Dear Sir/ Ma'am,

We would like to submit an invited original article (ID-05061725) titled “**COVID-19 in preexisting chronic liver disease– predictors of outcomes**” for publishing in your esteemed journal.

We would like to kindly mention that we are native English speakers and the writing and editing of the article is done in English as per the instructions provided by the journal.

Thanking you and personal regards.

Sincerely,

Deepak Gunjan
