

**Informed Consent Statement:**

Since this project was completely retrospective and performed with an IRB exemption, informed consent was not obtained from each patient evaluated. A de-identified data library was used to extract this information and no patients could be identified solely on the data provided in this study. Please reach out if any further information can be provided regarding this process.

Best Regards,

A handwritten signature in black ink, appearing to read "John P. Campbell". The signature is fluid and cursive, with a long horizontal stroke extending from the end.

John P. Campbell, MD/MBA
