

Certification of biostatistics

3/1/2023

To whom it may concern,

Title of Study: Bridge Plating in the Setting Of Radiocarpal Instability: Does Distal Fixations to the Second or Third Metacarpal Matter? A Cadaveric Study

This letter is to confirm that I have read the ethics applications prepared for this study and in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any questions.

Sincerely,

Efstathios Karamanos MD

Assistant clinical professor

Southern Illinois University, Southern Illinois Healthcare
