

Editing Certificate

This document certifies that the manuscript "Network Pharmacology-Based Analysis of Heat Clearing and Detoxifying Drug JC724 on the Treatment of Colorectal Cancer" has been edited to ensure language and grammar accuracy and is error free in these aspects. The logical presentation of ideas and the structure of the paper were also checked during the editing process. The edit was performed by professional editors at Electronic Journal of Metabolism and Nutrition of Cancer. The author's core research ideas were not altered in any way during the editing process. The quality of the edit has been guaranteed, with the assumption that our suggested changes have been accepted and the text has not been further altered with the knowledge of our editors.
