### To Whom It May Concern

I herein certify that the **Manuscript ID: 02529376** (Role of Prebiotics, Probiotics, and Synbiotics in Management of Inflammatory Bowel Disease: Current Perspectives) by Supriya Roy and Suneela Dhaneshwar under consideration for publication in your journal has been reviewed for English language by an English editor with native proficiency.

During the editing process, the editor focused on amending incorrect grammar and syntax while ensuring that the authors' intentions and research content were in no way altered.

The **Manuscript ID: 02529376** receiving this certification is English-ready for publication.
