Thank you for your response. We apologize for any inaccuracies in the text. We agree with you with the corrections to the text that were necessarily made, and we hope we have done your best. We have tried to simplify the text by adding introductions and other short paragraphs. We corrected grammatical errors. We checked and revised the list of references and two explaining tables have been added. We remain at your disposal for further information.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Massimiliano BERRETTA, MD, PhD
