The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) The title could in my opinion be more precise, for instance: "Clinical outcome of symptomatic arterioportal fistula after transcatheter arterial embolization..."

Reply: We have changed the title to "Clinical outcomes of symptomatic arterioportal fistulas after transcatheter arterial embolization".

- (2) Whilst the manuscript is intended for well expression, the English writing is worrisome and should be carefully checked by people whose native language is English. There are many mistakes on the grammar.
