

February 5, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8159-edited).

**Title:** Small bowel volvulus as a complication of von Recklinghausen's disease: a case report

**Author:** Thomas Artur Werner, Feride Kröpil, Martin Olaf Schoppe, Patric Kröpil, Wolfram Trudo Knoefel, Andreas Krieg

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 8159

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewer
  - (1) To exclude GIST, CD34 and CD117 have been checked. Thus, immunohistochemistry stained negatively for both markers. WE included these data in Figure 2 (02729147).
  - (2) Title has been changed according to the reviewers' suggestion (00041288).
  - (3) Language changes have been made according to the reviewers' suggestions (00041288).  
Thus, the English language of our manuscript reached Grade A.
  - (4) The case report has been shortened to fit three pages (00041288). Thus, our manuscript is in line with the journal's writing requirements for Case Reports allowing 3 pages that include the introduction, case report and discussion.
3. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Andreas Krieg, MD
