English Editing Certificate

THIS DOCUMENT CERTIFIES that we have edited the paper listed below to be ready for publication, and confirms that it has been thoroughly checked to correct issues related to grammar, style, usage, spelling, punctuation, naturalness and clarity of expression, and overall English-language quality. Our editing services are conducted by a native speaker of English with over thirty years of experience in preparing manuscripts for academic publication. In terms of its English-language quality, the paper should be ready for publication.
