

## LANGUAGE GUARANTEE

February 8, 2014

Dear Editor,

Thank you very much for giving us the opportunity to revise our manuscript entitled "**Indications, limitations and maneuvers to enable extended hepatectomy: current trends**", by *Dimitroulis et al*, for publication in your distinguished journal (ESPS Manuscript NO: 8239).

The manuscript is revised and corrected by Rebecca Smith. Our experienced language editor, who is native English speaker with relevant subject expertise, excellent written communication skills and experience in language polishing, helped us to iron out those few problematic kinks in our writing.

We guarantee the enhancement of our manuscript by

- Fixing grammatical errors
- Ensuring that it meets accepted standards of scientific English
- Improving sentence clarity and the flow of ideas
- Resolving ambiguities caused by either syntactic or semantic factors
- Removing redundancies

All English corrections are included in this version of the manuscript. In order to facilitate editing, all changes have been highlighted and underlined in green in the revised manuscript. We hope that this revision will satisfy the high standards of your distinguished journal. Please do not hesitate to contact me, should any problems occur. We are looking forward to hearing from you at your earliest possible convenience.

Thank you again for publishing our manuscript in the **World Journal of Gastroenterology**.

Sincerely yours,

**Eleftherios D. Spartalis, MD, MSc, PhDc**
