## SPECIFIC COMMENTS TO AUTHORS

I have reviewed your manuscript and am pleased to inform you that it is acceptable for publication, but with a few revisions. I have noted some issues with grammar and sentence structure that need to be improved, as well as some issues with the organization of the conclusion. I encourage you to work on polishing the manuscript to ensure it is clear and easy to understand for readers. I suggest that you take the time to rewrite and reorganize the conclusion, so it fits the structure of the manuscript. I also suggest focusing on improving your English language skills.
