Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8284.reviewed.doc).

Title: COMPARATIVE REVIEW OF VERTEBROPLASTY AND KYPHOPLASTY

Author: Fernando Ruiz Santiago, Alicia Santiago Chinchilla, Luis Guzmán Álvarez, Antonio Luis Pérez Abela, Maria del Mar Castellano García, Miguel Pajares López

Name of Journal: *World Journal of Radiology*

ESPS Manuscript NO: 8284

The manuscript has been improved according to the suggestions of reviewers:

- 1.-New references have been introduced in part 1 supporting the reported good outcomes after vertebroplasty and kyphoplasty.
- 2.-In subsection 2, data on incidence of vertebral fractures according to gender have been added.
- 3.- Treatment of vertebral fractures have been separated under two subheadings, medical and surgical-percutaneous
- 4.- The text referring to multilevel vertebral augmentation has been nuanced and supported by recent literature.
- 5- Paragraph 10 (now 11) has been updated with the proposed references.
- 6-References have been adapted to journal style.
- 7.-The English grammar has been reviewed.

Thank you again for publishing our manuscript in the *World Journal of Radiology*
