

## **RESPONSE TO THE REVIEWER COMMENTS**

### **Reviewer # 1**

#### **Comment**

Dear Authors, The manuscript "LIVER INJURY FROM DIRECT ORAL ANTICOAGULANTS- A METASUMMARY OF CASE REPORTS AND SERIES" is written clearly and adequately, and should be published in WJH. Best regards,

**Response:** We thank the reviewer for the prompt peer review and kind comments.

### **Reviewer # 2**

#### **Comment**

This manuscript addresses an important subject. The authors point out that there is a lack of good quality evidence. They examine the available literature, discuss its limitation and publication of this article will stimulate further much needed studies.

**Response:** We thank the reviewer for the kind comments
