

Language Revision Certificate

Apr 7, 2023

To whom it may concern:

This memo certifies that one of our clients had contracted our academic editing service for the following file (s).

Title of manuscript: **The mechanism of ELL-associated factor 2 and Vasohibin 1 regulating invasion, migration and angiogenesis in colorectal cancer**

Date of **latest** language revision: Apr 3 - 7, 2023

The English review is conducted using a two-stage process in which a junior editor first reviewed the file, after which a final or more thorough review was conducted by a senior editor. All our editors are native English speakers.

We would like to emphasize that our service is only targeted on grammar and language edits. We do not rewrite or revise manuscript(s) in technical matter. If you feel certain points are incorrect, please feel free to direct our attention by contacting: Edit@proofread-edit.com

The track version is attached with this certificate for your reference.
