

March 25, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8345-review.doc).

Title: Thromboembolic disease in patients with rheumatoid arthritis undergoing joint arthroplasty.
Update on prophylaxes.

Author: Antonella Mameli, Francesco Marongiu

Name of Journal: *World Journal of Orthopedics*

ESPS Manuscript NO: 8345

The manuscript has been improved according to the suggestions of reviewers:

1 Revision has been made according to the suggestions of the reviewer. We added to the text some data on the new anticoagulants and aspirin as possible tools in the thromboprophylaxis in the orthopedic setting, as suggested. The new sentences are highlighted in yellow.

3 New References were added.

Thank you again for publishing our manuscript in the *World Journal of Orthopedics*.

Sincerely yours,

Antonella Mameli, MD
