

Dear Editor:

I hereby certify that I have reviewed the English grammar in the manuscript by Xiaoqin Wang and colleagues and deem it sufficient for submission to your journal. I am a native speaker of English and have some formal training in the English language. In addition, I currently serve on 20 Editorial Boards for scientific Journals that publish solely in the English language.

Sincerely,

Paul D. Terry, PhD, MPH  
Associate Professor (Epidemiology), Departments of Public Health and Surgery  
Faculty, Comparative and Experimental Medicine Graduate Program  
Affiliate Faculty, Institute of Biomedical Engineering  
University of Tennessee
