

## LANGUAGE EDITING FOR MANUSCRIPTS SUBMITTED BY NON-NATIVE

To Whom It May Concern,

We declare that the revised version of the Manuscript NO: 83936 (Klotho: a new therapeutic target in diabetic retinopathy?) by Alessandra Puddu and Davide Maggi, which is under consideration for publication in your journal has been evaluated by an English-speaking native. We hope that it matches your journal standard.

Should you require any additional information, please do not hesitate to contact us.

Best regards

Alessandra Puddu and Davide Maggi
