

## Format for ANSWERING REVIEWERS

March 5, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: arterial calcification formatted R1.docx).

**Title:** Are there ways to attenuate arterial calcification and improve cardiovascular outcomes in chronic kidney disease?

**Author:** Thanh-Mai Vo<sup>b</sup> and Sinee Disthabanchong<sup>a</sup>

**Name of Journal:** *World Journal of Cardiology*

**ESPS Manuscript NO:** 8417

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) References as well as further discussion on the pathogenesis of arterial calcification have been added according to Reviewer 00503203's suggestions

(2) A table on studies related to therapies that may influence arterial calcification and patient outcomes has been added

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Cardiology*.

Sincerely yours,

Sinee Disthabanchong, MD
