

This document certifies that the manuscript

Azathioprine Monotherapy withdrawal in Inflammatory Bowel Diseases: A Retrospective Mono-centric Study

prepared by the authors

Martina Crepaldi, Daria Maniero, Alessandro Massano, Margherita Pavanato, Brigida Barberio, Edoardo Vincenzo Savarino, Fabiana Zingone

was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at AJE.

This certificate was issued on **May 31, 2023** and may be verified on the [AJE website](#) using the verification code **044C-253A-D961-2DD8-D4AC**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final AJE edited version, please visit our verification page at [aje.com/certificate](#). If you have any questions or concerns about this edited document, please contact AJE at support@aje.com.
