

LANGUAGE EDITING CERTIFICATE

This document certifies that the manuscript listed below was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at Lansen Editing Service.

Manuscript title:

The transplantation of human induced pluripotent stem cell-derived keratinocytes accelerates deep second-degree burn wound healing in mice by COL7A1-mediated pro-migratory effects

Date Issued:

June 19, 2023

Certificate Number:

LS-249TUTYUY834

This document certifies that the manuscript listed above was edited for proper English language, grammar, punctuation, spelling, and overall style. Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. If you have any questions or concerns about this document or certification please contact us.
