RE: ScienceDocs Inc. Editing Certification on behalf of Dr. Samer Sawalhi

Dear Editor,

I, Charles Replogle, COO of ScienceDocs Inc., hereby certify that the article **Resistin is not an appropriate biochemical marker to predict severity of acute pancreatitis: A Case-Controlled study** was edited by ScienceDocs editor Dr. Paige Davies on 02/14/2014, and we attest to the accuracy and quality of the work. Furthermore we suggest an 'A' grade. Any questions about this project may be sent to me at [c.replogle@sciencedocs.com](mailto:c.replogle@sciencedocs.com). Thank you.

Sincerely,

*Charles R. Replogle*
