Answering Reviewers

- 1. I recommend that the authors update the document, particularly the bibliographic references, and introduce more current data to improve the text.**

Ans. As per the above comment, I have added more recent work in the entire manuscript also in the bibliographic references

- 2. It is necessary to know to write a review about the prevention and treatment of Covid 19.**

Ans. As per the above comment, I have added more work in the prevention and treatment of COVID-19.

- 3. The abstract is not focused and concise enough. 2. It might be better to express some contents of COVID-19 in table, such as PREVENTION and TREATMENT PROGRESSES.**

Ans. As per the reviewer comments, I have updated the abstract and added table in the treatment section.
