

## **Author Disclosure Statement:**

Each author should answer the following questions:

1. Have you received any funding or sponsorship for this study, including funds or materials (e.g., surgical supplies, specimens)?

No

2. Have you, in the past five years, received the following from an organization that may in any way gain or lose financially from the results of your study:

- Reimbursement for attending a symposium?

No

- A fee for speaking or for organizing an educational program?

No

- Payment to write or review a paper?

No

- Funds for research?

No

- Funds for one of your employees?

No

- Royalties or fees for consulting?

No

2. Have you, in the past five years, been employed by or on the Board of an organization that may in any way gain or lose financially from the results of your study?

No

3. Do you hold any stocks or bonds in an organization that may in any way gain or lose financially from the results of your study? (This excludes stocks or bonds that may be held in mutual funds.)

No

4. Do you, or any entity with which you are affiliated, currently hold any patents that are relevant to the study in any way, or are you currently applying for or planning to apply for such a patent?

No

5. Do you have any other potential financial conflict of interest?

Waterman: Editorial Board (Arthroscopy Journal), Committee Member (AANA Enduring Technology Committee; SOMOS Research and Communication Committees)

McCriskin: None

Cameron: None

7. Does your spouse, parent, child, or sibling have a relationship as described above in questions 1 through 6?

No

If none of the authors have answered, "Yes," to any of the above 7 questions, please mark option number 1 below, "No Potential Conflicts of Interest declared."

If one or more authors have answered, "Yes," to any of these six questions, please mark option number 2 below.

\_\_\_ 1. Please insert "I (we) declare that we have no conflicts of interest in the authorship or publication of this contribution."

Or

\_\_\_ 2. Please insert "One or more of the authors has declared a potential conflict of interest as specified in the AJSM Conflict of Interest statement."

Please specify below

- Which of the 7 potential conflicts are being declared
- The specific author(s) declaring a potential conflict of interest
- Any other circumstance, which is not covered in the potential conflicts of interest listed above, that you feel might be perceived as constituting a potential conflict of interest and wish to voluntarily declare
